No. V-14/11/5/2012/Policy.

Date: 25.04.2022

To,

All Regional Directors/ SRO I/c
Regional Offices/Sub-regional offices

Subject: Timely settlement of medical re-imburement claim bills of Insured Persons-reg.

Madam/Sir,

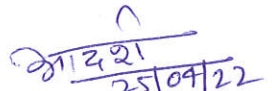

It has come to the notice of ESIC, Hqrs. Office that settlement of IPs medical re-imburement claim bills is being delayed due to various reasons.

The Competent Authority has viewed this matter very seriously and has directed that medical re-imburement claim of IPs should be settled within 30 days from receipt of the bill.

Further, in order to expedite the process, financial power has been delegated to SRO I/c of sub-regional offices, up to an amount of Rs. 50,000/-, so that bill can be scrutinized by medical referee and sanctioned by SRO I/c and paid at SRO level itself with timely electronic transfer of the reimbursement amount in the IP's bank account. While sanctioning the bill, RD/SRO (I/c) may need not to sign every page of the bill and may sign on the statement containing a list of bills with amount involved only. Henceforth, the monitoring of settlement of medical reimbursement claim will be done by Regional Director/SRO (I/c) on fortnightly basis and submit the report to medical services at email id med2-hq@esic.nic.in.

This will not only help in reducing the grievances of the patients but also help in improving the image of ESIC.

This issues with the approval of Director General.
